19. Why unconfirmed leave application shown in Manpower Resource Listing?

Core Change Announcement: Log#056503(2769) – Bug fix for unconfirmed leave application being shown on Manpower Resource Listing of Manager/ Employee Self Service

Request Date: 15-Jul-2005

Problem Description: When user apply leave application, the leave application would be shown on the Manpower Resource Listing of Manager/ Employee Self Service, even had not been confirmed by user, i.e. user may only clicked the "Next" button when filling the details of leave application.

Remedial Action: After applying the bug fix, the above problem had been resolved.
