20. Why running concurrent program of "C000 Grade Auto Increment" with error?

Core Change Announcement: Log#056472(2888) – Bug fix for the problem on concurrent program of "C000 Grade Auto Increment"

Request Date: 14-Jul-2005

Problem Description: If the Assignment.Effective Start Date was same as the date of Grade Step increment (i.e. Assignment.DFF.Next Grade Step Increment Year/ Month/ Day), after running the concurrent program of "C000 Grade Auto Increment", the program was unable to do the Grade Step increment for those Employees.

Remedial Action: After applying the bug fix, the above problem had been resolved.
