

24. Why the "Search" function from Manager Self Service disappear?

Core Change Announcement: Log#056036(2510) – Removal of "Search" function from Manager Self Service due to critical problem

Request Date: 18-May-2005

Problem Description: By using the "Search" function of "Manager Self Service" > "Leave of Absence", the user could search the employees who were not under his/her supervisor hierarchy.

Remedial Action: The "Search" function was a new feature come with HRM Family Pack H. It was removed due to this critical problem.
